

TOP TEN JEWELLERY FINDINGS

Read our helpful guide to the jewellery maker's essentials!

10 SAFETY CHAIN

DID YOU KNOW?
Thousands of jewellery items go missing each year! Safety is important! Whether a charm bracelet, simple bangle or bracelet embedded with gemstones, a safety chain is a great way to additionally secure the main fastening! You'll never have to worry about losing your favourite piece of jewellery again!

9 RING CLIPS

INCORRECT RING SIZE? Did your partner get your size wrong? Ring Clips are a speedy, temporary solution.

TOP TIP
The ring clip does not have to match the width of the shank, as long as the claw is long enough to grip the shank correctly.

8 EAR FITTINGS

We stock over 300 different types of ear fittings! From earring backs, to ear clips, screws and scrolls.

DID YOU KNOW?
Earrings first started as male jewellery and were worn by the Ancient Egyptians and Roman Soldiers to symbolise status. This was the norm until the Catholic Church put a ban in place in the 13th Century.

7 STERLING SILVER BEADS

Sterling silver beads are a great additional touch to any jewellery making project. In 2015 we sold over 140,000 units of beads, that's equivalent to the weight of a Dolphin...or a Giant Panda!

6 CONTINENTAL FITTINGS

DID YOU KNOW?
In 2015 we sold over 15,000 Continental D shaped ear wires. Can you imagine how many ears we've catered for?

A unique ear fitting – this is otherwise known as the D shaped Ear Wire.

5 SAFETY CATCHES AND JOINTS

Safety Catches and Joints are an essential part of any jewellery piece. Quality safety catches and joints will ensure that your jewellery pieces have added secure fastening.

TOP TIP
Safety catches and joints are very small so invest in a storage box/container to ensure that you don't lose any!

3 BOLT RINGS

DID YOU KNOW?
Did you know that in the USA the bolt ring is referred to as the Spring Ring? First used as a clasp in the 1840's, alongside the Lobster Claw the Bolt Ring still stands as one of the most popular fastenings in the world!

4 SCROLLS

How many times have you lost an earring? Well it's a good job that here at Cooksongold we sell our earring scrolls and backs in multipacks and what's more is that they'll fit any of our earring posts too!

2 CUFFLINK FITTINGS

DID YOU KNOW?
In 2015 we sold enough cufflink fittings to do up the shirts of every man and woman in Wembley stadium!

1 JUMP RINGS

We sell hundreds of jump rings in gold, silver and platinum that are used for hundreds of different types of jewellery. From bracelets, to earrings and necklaces, you name it, our jump rings have done it!

LONDON 99m

DID YOU KNOW?
The amount of Jump Rings we sold in 2015 stretch over 100 miles! That's the distance from the centre of Birmingham to the centre of London!
