

findings

The UK's biggest range

No idle boast. We have well over 1,000 separate types of finding to finish and secure your work. All the sizes, carats and colours you will need, always in stock and ready for dispatch. Among our new products, decorative spacers, shirt studs and brooch backs are joined by a fine new selection of unusual silver beads, end caps & clasps. We have expanded many of our existing ranges for a choice that is not only the biggest in the UK, but also the most comprehensive.

contents

New Products	228 - 230	Chain Ends	312 - 314

Complete assemblies ready
for immediate use.

See page 329

Shirt studs

An old idea executed in
Silver.

See page 335

findings

beads

beads

- All beads listed are hollow except Plain Solid Balls which have no hole and a cast, unpolished finish
- The only beads suitable for soldering purposes are the one and no hole beads on pages 237 & 238
- The hole in the beads may vary, depending on the size and style of the beads
